INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Kids Can Free The Children
Toronto, Ontario Canada

I have audited the statements of financial position of Kids Can Free The Children as of December 31, 2007 and 2006 and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of management. My responsibility is to express an opinion on these financial statements based on the audits.

We conducted the audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe the audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kids Can Free The Children as of December 31, 2007 and 2006 and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.
